About Our Event:

Item(s) received will be used for our general and silent auctions held at the event helping to raise funds for Special Strides and the Steven Werthan Memorial Fund. Celebrating our 19th anniversary, we are very proud of how far we have come thanks to our staff and supporters. Serving over 145 individuals, mostly children, every week, Special Strides fills a role within the developmentally disabled community. For those who cannot afford the program, Special Strides is committed to making it possible for them to participate. We are able to accomplish this by raising the funds necessary to deliver more than \$153,000 in financial aid to assist 85 of our Special Strides families.

Yes I would like to participate:
